## Other Related Creative Services:

### Restaurant: Food

You work very hard to prepare appetizing and appealing dishes, so why take your food photos with a phone? Great food photography entices patrons to visit your establishment.

The best food photos are taken with a professional camera using lighting that compliments your cuisine. Show you care enough to invest in quality food photography.

### Restaurant: Promotional Video

There is nothing more appealing than a vibrant, action video that illustrates the unique flavor of your restaurant. Music, images of food & employees along with special effects, completes a visual presentation that makes your business stand out.

### Real Estate: Agent Interviews & Headshots

Properties sell faster when a video captures the agents passion to find their buyers their forever home. We can create a video that will visually enhance your listings. Need agent photos? We'll take their headshot photos in our studio or multiple agents at your offices.

# SPECIALIZING IN INTERIOR AND EXTERIOR PHOTOGRAPHY

## RESTAURANT

Just like your food, the interior of your establishment is very important as it captures the mood and helps entice people to want to patronize your restaurant. We will take professionally lighted-photos, of all your rooms, from various angles ensuring the best presentation.

We can also photograph food preparation photos with your chef cooking in your kitchen.

*Puerto Vallarta, Restaurants, Cugino's of Farmington, and The Tavern at Tunxis Country Club.*

## CONSTRUCTION

Custom commercial photography conveys a clear, concise story about your company. Construction photography documents the projects and promotes your services when attracting new clients in a competitive market.

*Manafort Brothers, demolition of 60 Washington Street in Hartford, CT*

Still photography, time lapse, digital video and drone technologies are services we combine to create dramatic multimedia projects. Our team knows construction having over 15 years of experience working with established general contractor companies.

*Tomasso Brothers, Incorporated, Magnet School in Waterbury, CT*

## REAL ESTATE

Your real estate photography is literally the "doorway" to your listings and the quality of the images supports your brand and identity as an agent. More importantly, good photography sells your properties.

Our services include taking your listing photos: inside and out. We can also utilize our drone to capture still photos or video for a multi-media presentation.

*Home for sale utilizing still photos, drone video and agent interview.*

We offer specially priced packages that combine our many services, designed to work within your budget. Our architectural photography extends to other businesses like funeral homes, schools, hospitals, churches and professional offices.

*Dignity Funeral Home locations in Connecticut*
